Pastries and Treats

Our pastries and treats resident event at Mural was a hit — the boxes from Bakery Nouveau disappeared almost instantly and we barely had time to grab photos. Fresh pastries, good coffee, and sweet moments with our residents is always a good way to start the day.

Raising Standards Of The Resident Experience

At North Coast Living, investing in our people means investing in the resident experience. Last week, 25 North Coast leaders, including Regional and Senior Business Managers, gathered in San Diego for a two-day Train the Trainer program in partnership with Moran Consulting, a nationally recognized customer service and culture change firm. The training focused on the moments that matter most in apartment living, from leasing tours and renewals to maintenance follow-up and resident communication. These leaders are now bringing those tools and service standards back to their communities across the portfolio, helping create an even stronger resident experience company-wide. Link is proud to be part of a team that continues to prioritize growth, excellence, and meaningful community connection.
