What Residents are Saying

Matteo V.

"I've had a great experience living here. The building is always clean and well-kept, and the maintenance team is

quick and helpful whenever something needs fixing. The staff are really great too. Alison and Fahd are both friendly, responsive, and always willing to help with anything that comes up. They also host resident events almost every month, which is a nice touch. This month we had a spa day with complimentary massages, which was really fun and thoughtful. Overall, it's a clean building with helpful staff and a good sense of community."

Live Well

Live Well, Give Back

Giving back is a meaningful part of our culture at [North Coast Living](#). This month, the Mural team is proud to volunteer with [Pasado's Safe Haven](#). This incredible organization rescues farm animals from abuse and neglect, providing rehabilitation, sanctuary, and advocacy to help end animal cruelty. Their work not only saves lives but also inspires a deeper connection to all beings.

As a pet-friendly community, we're especially excited to highlight that Pasado's Safe Haven also has animals available for adoption. If you've been considering welcoming a new companion into your home, this is a beautiful opportunity to support a meaningful cause while giving an animal a second chance.
