OVERHEARD AT MURAL

"I recently moved into the Mural Apartments, and my experience so far has been excellent. The leasing team made the entire move-in process smooth. Fahd and Alison, in particular, were incredibly helpful. They were friendly, responsive, and always happy to answer my questions. Thanks to their professionalism and support, settling into my new apartment was much easier.

The location is another major plus. California Avenue is just a short walk away, offering a great selection of shops, cafés, and bakeries. It makes it easy to grab a coffee, run errands, or simply enjoy the neighborhood without

needing a car."

OUT IN THE NEIGHBORHOOD

Arthur's

One of our favorite patios in West Seattle! Arthur's is an all-day café serving nourishing eats, creative libations, and plenty of neighborly vibes in the heart of the Junction. Whether you're meeting friends for brunch, stopping in for a drink, or settling into the patio for a slow afternoon, it's a neighborhood favorite just minutes from Mural.

NEW TO THE TEAM

Welcome, Our New Manager

We're excited to welcome Abdelrahman Elbahlawan — or AB, as you can call him — to Mural! AB is a North Coast Living star who brings experience managing multiple communities and a reputation for being someone residents and teammates can count on. His favorite quote says a lot about the care he brings to his work: “When love and skill work together, expect a masterpiece.” Be sure to say hello and give AB a warm welcome next time you see him around the community!
